पाई गई तो उसके लिए क्या कदम उठाए, गए ?

MR. CHAIRMAN : He wants to know when you examined the whole thing.

PROF. M. G K. MENON : The process of looking at the safety aspects is a continuing activity of AERB. That is why one is awaiting their clearance which they will now give for a period of five years from the time of putting into commercial operations. It is connected with the grid now.

चौधरी हरमोहन : माननीय, सभापति जी, मैं माननीय मंत्री जी से जानना चाहता हूं कि क्या नरौरा एटामिक पावर प्लांट ने इस तरह का कोई सर्वे किया है कि उससे निकलने वाली भाप, धुंए और बेकार के पानी से उसके आसपास के गांवों और फसलों पर बुरा असर पड़ रहा है और अगर पड़ रहा है तो सरकार उसको रोकने के लिए क्या उपाय कर रही है ?

MR. CHAIRMAN: Is it affecting the crops and other things?

PROF. M. G. K. MENON: There is a continuing environmental check around all atomic power plants from the viewpoint of radioactivity, if any, in the air, as also that deposited on the ground, in water bodies or on plants and so on. This is done in the case of Narora also. At the moment, there is no reasons for considering that Narora power plant produces any radiation, damage or hazard to the people around the plant.

MR. CHAIRMAN: Question Hour is over.

Starting of manufacturing operations abroad by India Computer Companies

*201. SHRI BIR BHADRA PRATAP SINGH: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that some Indian Computer Companies have started recently manufacturing operations abroad; if so, what are their names and the details of their activities; and

(b) whether it is also a fact that the Indian developed Computer, Magnum, is selling very well in the United States of America against competition from Companies like IBM; if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (PROF. M. G. K. MENON): (a) The approvals given to the Indian Computer Companies for setting up joint venture companies or wholly owned subsidiaries are as under:—

Name of Indian Company	Country	Activities	Date of Approval	Date of commencement of operation
M/s. HCL Limited	Singapore	Computer Manufacturing	10-12-79	30-6-80
M/s. HCL Limited	USA	Advanced Computer Software	25-10-88	..
M/s. Infosys Consultants (P) Ltd.	USA	Marketing of Software	21-3-88	1-4-88
M/s. Softex (P) Ltd.	USA	Software Manufacturing	29-12-89	..

NOTE: The above mentioned companies are involved in system engineering or development of the software and marketing.

(b) The computer system, Magnum is a specific product of an Indian company, namely, M|s. HCL Limited; latter's total production during the calendar years 1988 and 1989 for computers was Rs. 54.8 crores and Rs. 81.6 crores respectively. The figures related to sales abroad have not been reported.

Improvement of Libraries etc. in KVS

*206. SHRI ANAND PRAKASH GAUTAM: Will the PRIME MINISTER be pleased to state:

(a) whether the All India Kendriya Vidyalaya Teachers Association has been pressing for improvement of the Libraries and the service conditions of the Librarians of Kendriya Vidyalayas for some years;

(b) if so, what are the details thereof; and

(c) what action Government propose to take in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (PROF. M. G. K. MENON): (a) to (c) A representation has been received in August 1989, from All India Kendriya Vidyalaya Teachers' Association, containing following suggestions:—

Suggestions	Stand of the Kendriya Vidyalaya Sangathan
(i) Improvement of Library services in Kendriya Vidyalayas	(i) Improvement of library services is a continuing activity and the sangathan gives due attention to all suggestions received in this behalf.
(ii) Higher basic pay scales for Librarians (Rs. 1640 - 2900)	(ii) The revised pay scales in Kendriya Vidyalayas, which have been granted w.e.f. 1-1-1986, provide basic scale (Rs. 1400—2600), Senior Scale (Rs. 1640—2900) after 12 years' service in basic scale and selection scale (Rs. 2000 - 3500) after 12 years' service in senior scale. In addition, librarians are also given a teaching allowance of Rs. 100/- p.m. conceding a basic scale at R . 1640 - 2900 for librarians is not feasible as it has implications for other categories of employees.
(iii) In-service training to Librarians every 3 years	(iii) Under pay revision orders, there is provision for in-service training for the Librarians, as in the case of teachers, once in six years.
(iv) A Library Assistant for each library	(iv) Creation of post of Library Assistant for each Library is not considered necessary because during the library periods concerned teachers are, in any case expected to be on library duty to help the students.
